

SECOND ICTP CONFERENCE ON DETECTION AND MODELING OF  
REGIONAL CLIMATE CHANGE | (smr 1428)

Contribution ID : 18

Type : **not specified**

## **Detection and projection of climate change over East Asia and China for the 20th and 21st centuries**

*Monday, 30 September 2002 14:45 (0:15)*

### **Content**

### **Summary**

**Primary author(s)** : Z. ZHAO (Research Center for Numerical Meteorological Prediction)

**Presenter(s)** : Z. ZHAO (Research Center for Numerical Meteorological Prediction)

**Session Classification** : Detection and projection of climate change over East Asia and China for the 20th and 21st centuries
