

A Josephson charge qubit using radio-frequency single-electron-transistor readout

Thursday, 31 October 2002 10:15 (1:00)

Content

Summary

Primary author(s) : DUTY, T. (Chalmers University of Technology)

Presenter(s) : DUTY, T. (Chalmers University of Technology)

Session Classification : A Josephson charge qubit using radio-frequency single-electron-transistor readout
