

Exact 2D MHD Modelling of solar Coronal Loops Observed with TRACE and SOHO Including Compressible Flow and Heating

Wednesday, 13 November 2002 14:30 (0:45)

Content

Summary

Primary author(s) : GORDON PETRIE (Dept. Of Physics, University of Athens, Greece)

Presenter(s) : GORDON PETRIE (Dept. Of Physics, University of Athens, Greece)

Session Classification : Exact 2D MHD Modelling of solar Coronal Loops Observed with TRACE and SOHO Including Compressible Flow and Heating
