International Workshop on
Protein Folding, Structure and Design

11 - 22 June, 2001

Miramare - Trieste, Italy

The Abdus Salam International Centre for Theoretical Physics (ICTP) Trieste - Italy, will hold an International Workshop on Protein Folding, Structure and Design at the ICTP, with the co-sponsorship of the Istituto Nazionale per la Fisica della Materia (INFN), Italy, from 11 to 22 June 2001. This activity will be directed by: Jayanth R. Banavar (The Pennsylvania State University, U.S.A., and Amos Maritan (International School for Advanced Studies and ICTP, Trieste, Italy).

The purpose of this Workshop is to provide state-of-the-art perspectives on experimental, theoretical and computational approaches to this vital problem and to foster discussions on the challenges and new strategies in this field.

Participation is open to all scientists from all member countries of the United Nations, UNESCO or IAEA. As the activity will be conducted in English, participants should have a good working knowledge of that language. The main purpose of the Centre is to help researchers from developing countries within a framework of international cooperation. Graduate students and post-doctoral scientists from developed countries are also encouraged to apply for participation. However, please note that funds are extremely limited.

As a rule, travel and subsistence expenses of the participants should be covered by the home institutions. Some funds may be available for some scientists from developing countries who will be selected by the organisers. The closing date for receipt of requests for participation is 1 February 2001. There is no registration fee for attending the Workshop. Participants will have an opportunity to present their research in Poster Sessions.

Candidates should complete and sign the "Request for Participation" form (also obtainable via e-mail smr1316@ictp.trieste.it and by using as subject line "get Announcement", or via the ICTP Web Server: <http://www.ictp.trieste.it/>) and post it to:

the Abdus Salam International Centre for Theoretical Physics

Full address of present Institution (if different from permanent):

Tel. No. _____ Institute:
_____ Telex/Cable
_____ Telefax
Your Office: Tel. No. _____
Telefax: _____
E-mail: * _____
until: Date

Mailing address - please indicate whether: Permanent Institute ___ OR
Present Institute ___

Research interests:
- Kindly supply (strictly within indicated lengths) a keyword description
of your current scientific activities as follows:

€ Area of research:
| _____ |
(no more than 15 letters)

€ Specific topic of interest:
| _____ |
re than 30 letters)

- Sketch your current research work, with full reference to published
papers, on the subject relevant to the Conference.

List your scientific publications including books and articles (authors,
title, Journal) in the period 1995-2000:

- 2 -

I plan to submit a poster (yes/no): _____

TITLE: _____

Have you participated in past ICTP activities: Yes ____ No ____
If yes, which?

APPLICABLE ONLY FOR CANDIDATES FROM DEVELOPING COUNTRIES

(Important: Please note that very few grants are available, and preference in selecting participants will be given to eligible candidates who can guarantee travel coverage by their own local sources.)

Please tick as appropriate:

- ____ - I can definitely find complete travel funds from local sources
- or
- I can definitely not find travel funds from local sources ____
(specify in US\$ the funds needed) US\$ = _____
- I am requesting financial support from the ICTP
for living allowance ____
- I am NOT requesting financial support from the ICTP ____

Signature of candidate

Date

* I agree that my e-mail address(es) may be made public on the ICTP WWW page:
