

# Inelastic Hard Spheres With Random Restitution Coefficients: a New Model for Heated Granular Fluids

*Friday, 10 August 2001 15:15 (0:45)*

## Content

## Summary

**Primary author(s) :** A. BARRAT (LPT, Université Paris-Sud, Paris)

**Presenter(s) :** A. BARRAT (LPT, Université Paris-Sud, Paris)

**Session Classification :** Inelastic Hard Spheres With Random Restitution Coefficients: a New Model for Heated Granular Fluids
