

TENTH INTERNATIONAL WORKSHOP ON COMPUTATIONAL
CONDENSED MATTER PHYSICS: TOTAL ENERGY AND FORCE
METHODS | (smr 1300)

Contribution ID : **16**

Type : **not specified**

Practical techniques for order-N DFT calculations on thousands of atoms

Friday, 12 January 2001 11:30 (0:30)

Content

Summary

Primary author(s) : M.J. GILLAN

Presenter(s) : M.J. GILLAN

Session Classification : Practical techniques for order-N DFT calculations on thousands of atoms
