

TENTH INTERNATIONAL WORKSHOP ON COMPUTATIONAL
CONDENSED MATTER PHYSICS: TOTAL ENERGY AND FORCE
METHODS | (smr 1300)

Contribution ID : 17

Type : **not specified**

Advances in density-functional theory by orbital and state dependent functionals

Friday, 12 January 2001 14:30 (0:30)

Content

Summary

Primary author(s) : A. GOERLING

Presenter(s) : A. GOERLING

Session Classification : Advances in density-functional theory by orbital and state dependent functionals
