

# Dynamical Mean Field Theory in Electronic Structure Calculations: Applications to solids with f and d electrons

*Friday, 12 January 2001 16:30 (0:30)*

## Content

## Summary

**Primary author(s) :** G. KOTLIAR

**Presenter(s) :** G. KOTLIAR

**Session Classification :** Dynamical Mean Field Theory in Electronic Structure Calculations: Applications to solids with f and d electrons
