

**Summer School and Conference on Real Algebraic Geometry and its  
Applications | (smr 1537)**

Contribution ID : **65**

Type : **not specified**

## **The existence of Morse functions on sets definable in o-minimal structures**

*Monday, 18 August 2003 15:30 (1:00)*

### **Content**

### **Summary**

**Primary author(s) :** TA LE LOI (Dalat University, Vietnam)

**Presenter(s) :** TA LE LOI (Dalat University, Vietnam)

**Session Classification :** The existence of Morse functions on sets definable in o-minimal structures
