

Ab-initio Fragment Orbital Method and its Application to Large Bio-Molecules

Saturday, 18 January 2003 11:00 (0:30)

Content

Summary

Primary author(s) : KAZUO KITAURA (Research Institute for Computational Sciences, Tsukuba, Japan)

Presenter(s) : KAZUO KITAURA (Research Institute for Computational Sciences, Tsukuba, Japan)

Session Classification : Ab-initio Fragment Orbital Method and its Application to Large Bio-Molecules
