

# Calculation of the electron charge density in insulating crystals. Calculation of the Hartree and XC potentials. Iterative solution of SCF equations

*Thursday, 23 January 2003 15:00 (3:30)*

## Content

## Summary

**Primary author(s) :** STEFANO DE GIRONCOLI

**Presenter(s) :** STEFANO DE GIRONCOLI

**Session Classification :** Calculation of the electron charge density in insulating crystals. Calculation of the Hartree and XC potentials. Iterative solution of SCF equations
