

Recognition in biomolecular energy landscapes: protein association vs protein folding.

Thursday, 15 May 2003 15:00 (0:45)

Content

Summary

Primary author(s) : PAPOIAN, G. (University of California at San Diego, CA, USA)

Presenter(s) : PAPOIAN, G. (University of California at San Diego, CA, USA)

Session Classification : Recognition in biomolecular energy landscapes: protein association vs protein folding.
