

Differential cross sections for elastic scattering of protons and helions from light nuclei

Tuesday, 27 May 2003 10:30 (1:30)

Content

Summary

Primary author(s) : A. GURBICH (Institute of Physics and Power Eng., Obninsk)

Presenter(s) : A. GURBICH (Institute of Physics and Power Eng., Obninsk)

Session Classification : Differential cross sections for elastic scattering of protons and helions from light nuclei
