

Incoherent charge dynamics of strongly correlated metals: optical conductivity of CMR manganites and high-T_c cuprates

Wednesday, 18 June 2003 14:30 (0:45)

Content

Summary

Primary author(s) : K. TAKENAKA (RIKEN, Saitama, Japan)

Presenter(s) : K. TAKENAKA (RIKEN, Saitama, Japan)

Session Classification : Incoherent charge dynamics of strongly correlated metals: optical conductivity of CMR manganites and high-T_c cuprates
