

## **Novel dynamical effects and persistent memory in phase separated manganites**

*Wednesday, 18 June 2003 16:30 (0:45)*

### **Content**

### **Summary**

**Primary author(s) :** P. LEVY (Comision Nacional de Energia Atomica, Buenos Aires, Argentina)

**Presenter(s) :** P. LEVY (Comision Nacional de Energia Atomica, Buenos Aires, Argentina)

**Session Classification :** Novel dynamical effects and persistent memory in phase separated manganites
