

# Wigner Approach to Quantum Dynamics Simulations of the Interacting Carriers in Disordered Systems

*Thursday, 4 September 2003 11:30 (0:40)*

## Content

## Summary

**Primary author(s) :** V. FILINOV (High Energy Density Research Center, Moscow, Russian Federation)

**Presenter(s) :** V. FILINOV (High Energy Density Research Center, Moscow, Russian Federation)

**Session Classification :** Wigner Approach to Quantum Dynamics Simulations of the Interacting Carriers in Disordered Systems
