Seventh Trieste Conference on Chemical Evolution and the Origin of Life: Life in the Universe: From the Miller Experiment to the Search for Life on other Worlds | (smr 1516)

Contribution ID: 24 Type: not specified

Fate of glycine and other complex biomolecules during interstellar collapse

Tuesday, 16 September 2003 17:45 (0:15)

Content

Summary

Primary author(s): SANDIP CHAKRABARTI (Centre for Space Physics, Kolkata, India)

Presenter(s): SANDIP CHAKRABARTI (Centre for Space Physics, Kolkata, India)

Session Classification: Fate of glycine and other complex biomolecules during interstellar collapse
