

A Fast Apparent-Horizon Finder for 3D Cartesian Grids in Numerical Relativity

Thursday, 25 September 2003 15:00 (0:30)

Content

Summary

Primary author(s) : J. THORNBURG (Albert-Einstein-Institute)

Presenter(s) : J. THORNBURG (Albert-Einstein-Institute)

Session Classification : A Fast Apparent-Horizon Finder for 3D Cartesian Grids in Numerical Relativity
