Autumn College on Plasma Physics: Long-Lived Structures and Self Organization in Plasmas | (smr 1521)

Contribution ID: 13 Type: not specified

Theoretical and Computational Issues in Plasma Turbulence and Long-term Evolution - 2; Computational Approaches

Friday, 17 October 2003 09:00 (1:15)

Content

Summary

 $\textbf{Primary author(s)}: \quad \text{A. THYAGARAJA (UKAEA Fusion, Culham Science Centre, Abingdon, U.K.) } \\$

Presenter(s): A. THYAGARAJA (UKAEA Fusion, Culham Science Centre, Abingdon, U.K.)

Session Classification: Theoretical and Computational Issues in Plasma Turbulence and Long-term

Evolution - 2; Computational Approaches
