

# The Flows in the Solar Atmosphere: Generation, Acceleration and Escape; Energy Transformation -1

*Wednesday, 29 October 2003 10:45 (1:15)*

## Content

## Summary

**Primary author(s) :** N. SHATASHVILI (Georgian Academy of Sciences, Dept. of Plasma Physics, Tbilisi, Georgia)

**Presenter(s) :** N. SHATASHVILI (Georgian Academy of Sciences, Dept. of Plasma Physics, Tbilisi, Georgia)

**Session Classification :** The Flows in the Solar Atmosphere: Generation, Acceleration and Escape; Energy Transformation -1
