

MHD Turbulence in the Heliospheric Plasma: Coherent Structures and Large Scale Correlations

Tuesday, 4 November 2003 10:45 (1:15)

Content

Summary

Primary author(s) : P. VELTRI (Universita' della Calabria, Dip. di Fisica, Arcavacata di Rende, Italy)

Presenter(s) : P. VELTRI (Universita' della Calabria, Dip. di Fisica, Arcavacata di Rende, Italy)

Session Classification : MHD Turbulence in the Heliospheric Plasma: Coherent Structures and Large Scale Correlations
