

New Possibilities in Pulsed Radiation Physics and Chemistry with Use of Dense Plasma Focus Device

Thursday, 13 November 2003 11:30 (1:00)

Content

Summary

Primary author(s) : V. GRIBKOV (Moscow Engineering-Physics Institute, Russian Federation)

Presenter(s) : V. GRIBKOV (Moscow Engineering-Physics Institute, Russian Federation)

Session Classification : New Possibilities in Pulsed Radiation Physics and Chemistry with Use of Dense Plasma Focus Device
