

Molecular electronics: Transport and relationship to structure and kinetics

Monday, 24 May 2004 11:00 (1:00)

Content

Summary

Primary author(s) : M.A. RATNER (Northwestern Univ., Evanston, IL, USA)

Presenter(s) : M.A. RATNER (Northwestern Univ., Evanston, IL, USA)

Session Classification : Molecular electronics: Transport and relationship to structure and kinetics
