

# Electron injection in a nanotube with leads: finite frequency noise-correlations and anomalous charges

*Thursday, 24 June 2004 09:45 (0:45)*

## Content

## Summary

**Primary author(s) :** MARTIN, TH. (Université de la Méditerranée Aix-Marseille II)

**Presenter(s) :** MARTIN, TH. (Université de la Méditerranée Aix-Marseille II)

**Session Classification :** Electron injection in a nanotube with leads: finite frequency noise-correlations and anomalous charges
