

# Gauge theory of pairing and spin fluctuations near the quantum critical point

*Monday, 19 July 2004 11:45 (1:00)*

## Content

## Summary

**Primary author(s) :** BOB SCHRIEFFER (National High Magnetic Field Laboratory, Tallahassee, U.S.A.)

**Presenter(s) :** BOB SCHRIEFFER (National High Magnetic Field Laboratory, Tallahassee, U.S.A.)

**Session Classification :** Gauge theory of pairing and spin fluctuations near the quantum critical point
