

# Beyond mean field spin glasses: models with long but finite interaction range

*Wednesday, 8 September 2004 09:30 (0:30)*

## Content

## Summary

**Primary author(s) :** TONINELLI, F.L. (Universität Zürich)

**Presenter(s) :** TONINELLI, F.L. (Universität Zürich)

**Session Classification :** Beyond mean field spin glasses: models with long but finite interaction range
