

Which-path information, decoherence, dephasing in macromolecular interferometry

Monday, 8 November 2004 10:00 (1:00)

Content

Summary

Primary author(s) : M. ARNDT (University of Vienna, Austria)

Presenter(s) : M. ARNDT (University of Vienna, Austria)

Session Classification : Which-path information, decoherence, dephasing in macromolecular interferometry
