

**School and Workshop on Quantum Entanglement, Decoherence, Information, and Geometrical Phases in Complex Systems | (smr 1587)**

Contribution ID : **43**

Type : **not specified**

## **Spin control and relaxation in mesoscopic transport**

*Tuesday, 9 November 2004 16:15 (1:00)*

### **Content**

### **Summary**

**Primary author(s) :** K. RICHTER (Universität Regensburg, Germany)

**Presenter(s) :** K. RICHTER (Universität Regensburg, Germany)

**Session Classification :** Spin control and relaxation in mesoscopic transport
