

# **Toward a theory of the abundance and distribution of species at multiple spatial scales: Part I. Foundations of HEAP and experimental tests**

*Wednesday, 11 May 2005 11:45 (0:45)*

## **Content**

## **Summary**

**Primary author(s) :** J. HARTE (Univ. of California at Berkeley, Energy & Resources Group, Berkeley, CA, USA)

**Presenter(s) :** J. HARTE (Univ. of California at Berkeley, Energy & Resources Group, Berkeley, CA, USA)

**Session Classification :** Toward a theory of the abundance and distribution of species at multiple spatial scales: Part I. Foundations of HEAP and experimental tests
