

# Table of contents

Tuesday 07 June 2005 .....	1
----------------------------	---

# Conference on Vortex Rings and Filaments in Classical and Quantum Systems (6-8 June), followed by: Workshop on New Experimental Techniques for the Study of Quantum Turbulence (9-10 June) | (smr 1661)

## Tuesday 07 June 2005

**Deformation of weak vortex rings in a chaotic flow - Main Building Lecture Room C  
(09:00-09:35)**

time	title	presenter
09:00	Deformation of weak vortex rings in a chaotic flow	A. LEONARD
