

Table of contents

Tuesday 07 June 2005	1
----------------------------	---

Conference on Vortex Rings and Filaments in Classical and Quantum Systems (6-8 June), followed by: Workshop on New Experimental Techniques for the Study of Quantum Turbulence (9-10 June) | (smr 1661)

Tuesday 07 June 2005

Numerical study of quantum turbulence - Main Building Lecture Room C (10:10-10:45)

time	title	presenter
10:10	Numerical study of quantum turbulence	M. TSUBOTA
