

# Table of contents

Tuesday 07 June 2005 .....	1
----------------------------	---

# **Conference on Vortex Rings and Filaments in Classical and Quantum Systems (6-8 June), followed by: Workshop on New Experimental Techniques for the Study of Quantum Turbulence (9-10 June) | (smr 1661)**

## **Tuesday 07 June 2005**

**Dynamics of vortex rings in a rotating fluid - Main Building Lecture Room C (11:40-12:15)**

time	title	presenter
11:40	Dynamics of vortex rings in a rotating fluid	R. VERZICCO
