

Table of contents

Tuesday 07 June 2005	1
----------------------------	---

Conference on Vortex Rings and Filaments in Classical and Quantum Systems (6-8 June), followed by: Workshop on New Experimental Techniques for the Study of Quantum Turbulence (9-10 June) | (smr 1661)

Tuesday 07 June 2005

**Knotted vortex rings from the eikonal equations - Main Building Lecture Room C
(15:10-15:45)**

time	title	presenter
15:10	Knotted vortex rings from the eikonal equations	A. WERESZCZYNSKI
