

Table of contents

Tuesday 07 June 2005	1
----------------------------	---

Conference on Vortex Rings and Filaments in Classical and Quantum Systems (6-8 June), followed by: Workshop on New Experimental Techniques for the Study of Quantum Turbulence (9-10 June) | (smr 1661)

Tuesday 07 June 2005

**Solitary waves and vortex rings in a cylindrical Bose-Einstein condensate - Main Building
Lecture Room C (16:40-17:15)**

time	title	presenter
16:40	Solitary waves and vortex rings in a cylindrical Bose-Einstein condensate	S. KOMINEAS
