Conference on Single Molecule Magnets and Hybrid Magnetic Nanostructures | (smr 1664)

Contribution ID: 25 Type: not specified

Magnetic and Microwave Studies of Single Molecule Magnets

Thursday, 30 June 2005 11:45 (0:45)

Content

Summary

 $\label{eq:primary author(s): ANDREW KENT (New York University, U.S.A.)} \textbf{Primary author(s):} \quad \text{ANDREW KENT (New York University, U.S.A.)}$

Presenter(s): ANDREW KENT (New York University, U.S.A.)

Session Classification: Magnetic and Microwave Studies of Single Molecule Magnets
