Conference on Single Molecule Magnets and Hybrid Magnetic Nanostructures | (smr 1664)

Friday 01 July 2005

SUMMARY / PANEL: - Main Building Main Lecture Hall (11:00-12:30)

Discussion to explore possible ways to apply techniques currently being developed using hybrid structures to manipulate and control SMM's

time	title	presenter
11:00	SUMMARY / PANEL:	SAM BADER / WOLFGANG WERNSDORFER
