Conference on Single Molecule Magnets and Hybrid Magnetic Nanostructures | (smr 1664)

Contribution ID: 4 Type: not specified

Inelastic Neutron Scattering of Single Molecule Magnets and Antiferromagnetic Wheels

Monday, 27 June 2005 14:00 (0:45)

Content

Summary

Presenter(s): HANS GUEDEL (University of Bern, Switzerland)

Session Classification: Inelastic Neutron Scattering of Single Molecule Magnets and Antiferromag-

netic Wheels
