

Dirac structures and the phase space of particles in a Yang-Mills-Higgs field

Friday, 22 July 2005 16:10 (0:55)

Content

Summary

Primary author(s) : A. WADE (The Pennsylvania State University, University Park, USA)

Presenter(s) : A. WADE (The Pennsylvania State University, University Park, USA)

Session Classification : Dirac structures and the phase space of particles in a Yang-Mills-Higgs field
