

# Non-equilibrium in cold atomic gases: controlled preparation of d-wave resonating valence bond states

*Monday, 18 July 2005 15:00 (1:00)*

## Content

## Summary

**Primary author(s)** : ULRICH SCHOLLWOECK (Rheinisch-Westfälische Technische Hochschule Aachen, Germany)

**Presenter(s)** : ULRICH SCHOLLWOECK (Rheinisch-Westfälische Technische Hochschule Aachen, Germany)

**Session Classification** : Non-equilibrium in cold atomic gases: controlled preparation of d-wave resonating valence bond states
