

Nano- and meso-scale molecular junctions: Control of chemical bonds and surface topography at metal-molecule interface

Wednesday, 10 August 2005 12:15 (0:45)

Content

Summary

Primary author(s) : NICK ZHITENEV (Bell Labs Lucent Techn., Murray Hill, USA)

Presenter(s) : NICK ZHITENEV (Bell Labs Lucent Techn., Murray Hill, USA)

Session Classification : Nano- and meso-scale molecular junctions: Control of chemical bonds and surface topography at metal-molecule interface
