

Renormalization of impurity scattering in 1D interacting electron systems in magnetic field

Friday, 12 August 2005 09:45 (0:45)

Content

Summary

Primary author(s) : AKIRA FURUSAKI (RIKEN, Japan)

Presenter(s) : AKIRA FURUSAKI (RIKEN, Japan)

Session Classification : Renormalization of impurity scattering in 1D interacting electron systems in magnetic field
