## Renormalization of impurity scattering in 1D interacting electron systems in magnetic field

Friday, 12 August 2005 09:45 (0:45)

Content

**Summary** 

Primary author(s): AKIRA FURUSAKI (RIKEN, Japan)

Presenter(s): AKIRA FURUSAKI (RIKEN, Japan)

Session Classification: Renormalization of impurity scattering in 1D interacting electron systems

in magnetic field
