

# Generation and dynamics of large scale flows in magnetized plasmas and rotating fluids

*Friday, 23 September 2005 09:00 (0:30)*

## Content

## Summary

**Primary author(s) :** J.J. RASMUSSEN (Risoe National Lab., Denmark)

**Presenter(s) :** J.J. RASMUSSEN (Risoe National Lab., Denmark)

**Session Classification :** Generation and dynamics of large scale flows in magnetized plasmas and rotating fluids
