

Entanglement and decoherence in dynamical systems and the quantum-to-classical correspondence

Tuesday, 4 October 2005 15:50 (0:50)

Content

Summary

Primary author(s) : PHILIPPE JACQUOD (Université de Geneve, Switzerland)

Presenter(s) : PHILIPPE JACQUOD (Université de Geneve, Switzerland)

Session Classification : Entanglement and decoherence in dynamical systems and the quantum-to-classical correspondence
