## Estimating False Alarm and Random Success Probabilities for Predictions by the RTP Algorithm

Wednesday, 12 October 2005 14:25 (0:45)

Content

Summary

**Primary author(s)**: PROF. P. SHEBALIN (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

**Presenter(s)**: PROF. P. SHEBALIN (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

**Session Classification**: Estimating False Alarm and Random Success Probabilities for Predictions by the RTP Algorithm
