

Computational Geodynamics: Problems, Methods, Results and Perspectives

Friday, 14 October 2005 11:10 (0:50)

Content

Summary

Primary author(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Computational Geodynamics: Problems, Methods, Results and Perspectives
