

Variational Data Assimilation in Dynamics of the Earth\'s Mantle: Theory and Applications

Friday, 14 October 2005 14:15 (0:45)

Content

Summary

Primary author(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

Presenter(s) : PROF. A. ISMAIL-ZADEH (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

Session Classification : Variational Data Assimilation in Dynamics of the Earth\'s Mantle: Theory and Applications
