

# Fault Networks in Earthquake Prediction

*Thursday, 6 October 2005 11:10 (0:50)*

## Content

## Summary

**Primary author(s) :** PROF. V. KEILIS-BOROK (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

**Presenter(s) :** PROF. V. KEILIS-BOROK (International Institute of Earthquake prediction Theory and Mathematical Geophysics, Russian Academy)

**Session Classification :** Fault Networks in Earthquake Prediction
