

Workshop on Plasma Physics: Capacity Building in Plasma Applications and Diagnostic Techniques | (smr 1698)

Contribution ID : **23**

Type : **not specified**

Fast electro-optical cameras for plasma investigations

Thursday, 10 March 2005 09:00 (1:00)

Content

Summary

Primary author(s) : K. TOMASZEWSKI (Institute of Plasma Physics and Laser Microfusion, Warsaw, Poland)

Presenter(s) : K. TOMASZEWSKI (Institute of Plasma Physics and Laser Microfusion, Warsaw, Poland)

Session Classification : Fast electro-optical cameras for plasma investigations
