

Entropy Considerations in Polymorphic Phase Transitions of Solid Acids to Disordered, High-Conductivity Phases

Monday, 16 January 2006 15:25 (1:15)

Content

Summary

Primary author(s) : S. HAILE (Steele Laboratories, Pasadena, USA)

Presenter(s) : S. HAILE (Steele Laboratories, Pasadena, USA)

Session Classification : Entropy Considerations in Polymorphic Phase Transitions of Solid Acids to Disordered, High-Conductivity Phases
